

**Personal questions (video/audio diaries):**

Here are some questions to help you get started with your personal video diary/audio/blog for this documentary project. You are not limited to these questions or topics.

1. Has Covid-19 impacted your perspective of the museum/library field as a whole?  
If so, how?
  - a. Beyond Covid-19, have any other current events affected:
    - i. ...your perspective of the museum/library field?
    - ii. ...the content you exhibit?
    - iii. ...the programs you host?
2. What is the role of the museum/library/archive during a world crisis?
3. EMTs, nurses, doctors, etc. are considered first responders during this pandemic, workers in the cultural sector are considered secondary responders. Do you agree with this statement? Why?
4. How has your role in your organization changed? Has this impacted your perspective of the museum/library field?
5. How do you feel about the choices you and your organization are making in response to the pandemic?
